

# Stuck in traffic?

The Federal Coalition will invest \$1.5 Billion to build the M4 East Extension (WestConnex).

The M4 East Extension will complete the missing link between Western Sydney and the city and make getting to and from work easier, which means less time in traffic and more time at home with your family.

## Abbott says M4 East extension must be built

The long-awaited M4 East Extension from Strathfield to the CBD will be the top priority of the federal government's Department of Infrastructure, Transport, Regional Development and Postal Services. The extension will be built in three stages. The first stage will be built in three stages. The first stage will be built in three stages. The first stage will be built in three stages.
